

I'm a final year BA (Hons) film production student with experience working on short films and highly skilled in all areas of film production. I am extremely motivated and passionate about creating visually stunning and captivating stories, and looking for an opportunity to further develop my skills in filmmaking.

- After Effects
- Microsoft Office
- Confident computer skills (Windows)
- Camera operation (Arri & Sony)

EMPLOYMENT HISTORY

FEB 2023 - PRESENT: UNIVERSITY OF PORTSMOUTH'S STUDENTS UNION *Portsmouth, Hampshire*

Events Technician

This is a very hands-on job using a variety of lighting and sound equipment. It has improved my ability to solve problems quickly and under pressure. I like picking up new skills with the equipment we get to use at all the events we host.

JUL - AUG 2023: BRUNNING & PRICE *Horsham, West Sussex*

Bar/Waiting Staff

Working in a pub has made me more adept at communicating with coworkers and customers because of the fast-paced, hectic atmosphere. It has made it easier for me to manage to take on multiple tasks at once and to remain focused on the one at hand.

NOV 2019 - JAN 2023: SAINSBURY'S *Horsham, West Sussex*

Customer Experience

Although being presented with many challenges, this job gave me the opportunity to develop my teamwork skills, and being face-to-face with customers made me enhance my problem-solving abilities.

INTERESTS & ACHIEVEMENTS

I enjoy **Skateboarding**, it's a challenging but extremely rewarding activity that instills determination and encourages perseverance, even in the face of failure. I also frequently watch a variety of TV shows and films, I like to look out for ideas and techniques to influence my own work.

I have achieved the **Chief Scout's Silver & Gold Awards**, also I've completed the **National Citizen Service** program (NCS)
